The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-416. A resolution adopted by the Council of the Borough of Ship Bottom, NJ relative to the disposal of dredge materials at the Mud Dump site; to the Committee on Environment and Public Works.

POM-417. A petition from a citizen of the District of Columbia relative to the District of Columbia Housing Authority Act of 1999; to the Committee on Governmental Affairs.

POM-419. A resolution adopted by the Municipal Assembly of San Juan, PR relative to Vieques, PR; to the Committee on Armed Services.

### RESOLUTION 35

Whereas, The Municipal Assembly of San Juan approved a resolution the 29 of April of 1999 requiring the United States Navy to cease immediately and permanently all military practices, bombardments and exercises in Vieques, as well as their total withdrawal from that island, returning to the people of Puerto Rico the lands that the Navy now occupies.

Whereas, The Assembly recognizes that the military practices, exercises, and bombardments in Vieques and its surroundings have been continuous during the last 50 years, affecting the 9,300 residents of that Municipality negatively;

Whereas, In addition to the continuous threat to the safety, health and human life that these military exercises mean in Vieques, they have had a harmful effect on the environment as a whole and in particular, on marine life and the natural beauty of this island.

Whereas, In an historical effort of solidarity regarding the suffering of the people of Vieques, the political, religious, and civic leadership of Puerto Rico, came together with the purpose of calling for the immediate cease of all military exercises by the Navy on soil and beaches of Vieques and for the unconditional and immediate exit of the Navy from this island-municipality, and hereby petition President, Hon. William Jefferson Clinton to that effect.

Whereas, The Mayor of San Juan, Hon. Sila M. Calderon, has made a particular ef-

fort to this effect as have other Puerto Rican leaders in Puerto Rico and in the United States.

Whereas, President Clinton has received pressures from the Pentagon and certain congressional leaders favoring the permanency of the Navy on Vieques, and has disappointed the people of Puerto Rico who had placed their hope in him. President Clinton emitted a decision, which permits the Navy to continue with their war exercises in Vieques for approximately five years. This decision does not establish a specific date for the absolute and total exit of the Navy from Vieques.

Whereas, The action taken by President Clinton is unacceptable to this City Council, as it is for all the Puerto Rican people who are allied in brotherhood with the people of Vieques: Now, therefore, be it

*Resolved by the San Juan City Council:*

Section 1, To express strong rejection of the President of the United States, Hon. William Jefferson Clinton's decision on the case of Vieques; to support the actions accomplished by the Puerto Rican leadership and in particular by the people of Vieques, for the Navy to leave that territory as soon as possible without imposing conditions; to support the negotiations of the Mayor of San Juan, Hon. Sila M. Calderon, in connection with this matter; and to urge the members of congress and elected officials of New York and other states to join the people of Puerto Rico in this effort.

Section 2, To send a copy of this resolution, duly translated to the English Language, to the President of the United States, Hon. William Jefferson Clinton; to the Congress, and to the press.

Section 3, This resolution will come into effect immediately after its approval.

#### BANKRUPTCY OF PREMIER HMO

Mr. KYL. Mr. President, I rise to bring to the attention of the Senate a serious problem facing many thousands of Medicare beneficiaries in Arizona. On November 16, 1999, Premier Health Care of Arizona went into receivership. The health care of more than 20,000 Medicare beneficiaries who were enrolled in Premier has been affected by this solvency.

Since Premier Medicare HMO was placed in receivership, I have been advised that some non-contract providers—providers outside of the HMO network—have asserted that Medicare beneficiaries are personally liable for unpaid claims and have referred the outstanding claims to collection agencies.

These unpaid claims—some of which may date back more than six months and amount to significant sums of money—have made it difficult for many contract and non-contract providers to continue to provide care to Medicare beneficiaries. Because Premier operated in a largely rural area where few alternative providers were accessible, this has created a dire health-care delivery situation for Medicare beneficiaries.

Mr. President, today I introduce legislation that addresses the Arizona situation, as well as future
